Dear Sir / Madam

East Staffordshire Local Plan Examination

Further to my letter and attachments of 15 August, I am now forwarding from the Inspector a more detailed draft Schedule of Issues [E.13] and draft Programme [E.14]. These replace the indicative versions previously circulated and will be referred to at the Pre Hearing Meeting on 16 September.

I also attach from the Council a Schedule of Main Modifications (MMs) to the Plan [F.17] with a list of documents published after the Plan was submitted for examination [F.19]. An up to date library list has been placed on the Council [Examination web page](#) with links to all documents. These include a Schedule of Additional (minor) Modifications (AMs) [F.18] and a composite version of the Plan [F.20] incorporating all the MMs and AMs for ease of reference.

As previously requested, irrespective of whether or not you are attending the PHM, **please do inform me by 22 September if you intend to participate in the hearings and upon which issue or issues you wish to speak.**

It is intended to issue a firm Programme for Hearings on Strategic Matters before the end September, including lists of participants.

Please contact me if you have any queries regarding any procedural aspect the Examination.

Yours faithfully

A. Willis
