All

Well it has finally finished and all the cases we have received have been considered or paid. Great effort by Carl, Claire, Rachael and Sian to get the applications and assess them(Rachael finished the last one at 6.10 last night) , I know it has been painful, time consuming and frustrating on the benefits side but we have now finished and will not pay any further DHP's until after the 1st April. Carl, thank you for your time in getting the claims to us and liaising with the landlords as without this the money wouldn't have been spent.

So the balance we have remaining in the fund was just £12416.10 which I know Brett is going to redirect to another budget.

Thank you all for your efforts

Paul
